

Dear Menalie ,

The holidays are right around the corner, and [#GivingTuesday](#) is just one week away! In previous years, your generosity helped fully equip and train firefighters to more effectively combat fires in the Bolivian Amazon, provided scholarships for young biologists to conduct scientific research, and helped expand our real-time satellite monitoring across the entire Amazon basin.

This year’s [#GivingTuesday](#) takes place on November 30th! Stay tuned for more information.

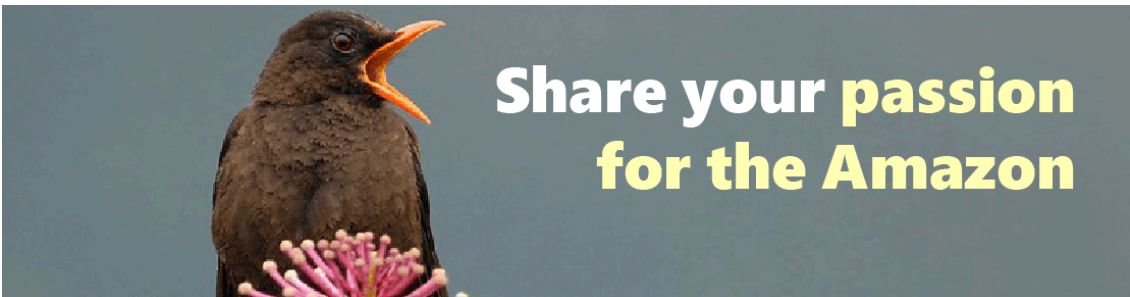

Beat the rush and donate today!

Here are a few ways you can get started now for this global generosity movement:
