Dear Menalie ,

This #GivingTuesday **every donation that we receive by midnight tonight will be matched up to \$150,000!** [Can we count on your support to double your impact before tomorrow?](#)

[Donate Now and Double Your Impact](#)

For every tax-deductible dollar that you contribute to Amazon Conservation, our innovative conservation programs will receive \$2, effectively doubling your impact! Your gift to advance conservation efforts across the Amazon will support our critical scientific research studying the impacts of climate change on key species; real-time satellite monitoring that tracks, monitors and reports wildfires and illegal deforestation across the Amazon; sustainable strategies that empower local communities to establish viable climate-smart forest economies; and educational programs that inspire youth to become the scientists and conservationists of tomorrow.

Donate tonight for a thriving Amazon!
